## Itinerary

*Embark on a spectacular journey at a delightful time of year to discover the incredible sights and wealth of geologic phenomena amongst the colorful canyonlands of southern Utah. Known as "Color Country," the hues of red, orange, white and brown are truly amazing. While enjoying a single-hotel stay at an upscale resort in Mesquite, we'll travel amongst the incredible landscapes within Zion and Bryce Canyon National Parks while learning about the geologic and geographic forces that created this incredible landscape of colorful canyons, mesas and whimsical shapes.*

### Day 1 – Welcome to Mesquite!

From our departure points this morning we'll travel by deluxe motorcoach through the Mojave Desert to **Mesquite, Nevada** making several rest stops and a stop for lunch on your own along the way. Late this afternoon we'll arrive at our upscale casino resort where we'll enjoy a three-night stay in upgraded hotel rooms at the **Eureka Casino & Resort**. The most luxurious rooms in Mesquite, they blend stylish, contemporary décor with exceptional amenities including a cultured marble shower, pillow top mattress and designer furnishings. Enjoy the balance of the evening at leisure to take advantage of the outdoor swimming pool and spa, on-site restaurant and non-stop gaming action in the casino which features an exciting variety of new video reel, video poker, and progressive slot machines as well as a wide selection of table games featuring favorites like Blackjack, Craps, Roulette, Pai Gow Poker and more.

### Day 2 – Zion National Park

Following an included breakfast, we'll travel through the spectacular **Virgin River Gorge** and into Utah's "Dixie Country." Later this morning we'll arrive in **Zion National Park**, featuring a dramatic landscape of sculptured canyons and soaring cliffs. We'll visit the Zion National Park Visitor Center and then board the Zion Canyon Shuttle and continue into Zion Canyon – an incredible slot canyon that is 15 miles long and up to 2,640 feet deep! As we travel along **Zion Canyon Scenic Drive**, we'll marvel at the massive sandstone cliffs of cream, pink and red that soar into a brilliant blue sky. Enjoy time at leisure for lunch on your own at the **Zion Park Lodge** and stop at the **Temple of Sinawava** where you can take a short stroll along the banks of the Virgin River. We return to our Mesquite resort later in the day with the balance of the evening at leisure. (Breakfast)

### Day 3 – Bryce Canyon & Zion National Parks

After an included breakfast we'll return north and travel along the spectacular **Zion-Mount Carmel Highway**, a mind-blowing road that features swirling, otherworldly rock formations, mounds, towers, hoodoos, and hilltops. Layered strata of rusty red, orange, cream, yellow and brown color the landscape that is dotted with desert pines, sagebrush, and wildflowers. We'll travel through the historic **Zion-Mt. Carmel Tunnel**, the 5,000 foot long engineering marvel that was cut through red sandstone cliffs in the 1920s. We'll travel the Zion's colorful **Checkerboard Mesa** – sandstone hills with an unusual crack pattern that resemble a grid much like you would see on a checkerboard. We'll continue north along Utah's spectacular Highway 89A to historic **Ruby's Inn** where we'll enjoy an included lunch. This afternoon we'll enter **Bryce Canyon National Park** (elevation 8,000 feet) and stop at the Bryce Canyon National Park Visitor Center and several viewpoints to admire the spectacular geological formations and brilliant colors. Gazing down upon Bryce Amphitheater we'll see thousands of red, orange, and white "hoodoos" (irregular columns of rock) – in fact Bryce Canyon National Park is home to the largest concentration of hoodoos found anywhere on Earth! The towering columns, narrow fins, and natural bridges seem to deny all reason or explanation, leaving jaws agape in wondrous incredulity. We return to our Mesquite resort this evening. (Breakfast, Lunch)

### Day 4 – Valley of Fire State Park, Journey Home

Following an included breakfast, we'll travel south and enter **Valley of Fire State Park**, Nevada's oldest, largest and perhaps most magnificent state park. The park derives its name from the spectacular bright red Aztec sandstone formations that appear to be on fire when reflecting the sun's rays. These otherworldly shaped rocks formed over the course of 150 million years through a complicated process of geological uplifting, faulting, and erosion. Since 300 BCE, Valley of Fire has been home to numerous prehistoric civilizations including the Ancestral Pueblo. You'll see proof of this in the 3,000 year old petroglyphs visible near where we'll enjoy an included picnic lunch. We'll continue south towards Southern California making several rest stops along the way. We return to our departure points this evening with amazing memories of the colorful hues of Utah's Color Country. (Breakfast, Lunch)

*This tour may be different than other Good Times Travel tours you have been on. In order to offer a single-hotel stay in Mesquite and lower price, we must travel considerable distances to reach the national parks on days 2 and 3. This tour is ideal for those guests that appreciate a single-hotel stay but don't mind longer motorcoach rides. Those looking to stay closer to the national parks and use multiple hotels should consider other national park tours that we offer.*
