# Paris in Vegas

NEW!

Featuring a Two-Night Stay at *Paris Las Vegas Hotel & Casino*, Optional *Wizard of Oz* at Sphere Excursion

April 12-14, 2026 – 3 Day Tour

## Tour Highlights

- Enjoy a two-night stay in an upgraded Bordeaux Room with a view of the Eiffel Tower and/or Las Vegas Strip at *Paris Las Vegas*, the upscale French-themed resort that offers newly renovated hotel rooms, elevated dining experiences and a massive, Parisian-themed casino in the heart of the Vegas Strip
- Take advantage of an optional *The Wizard of Oz* at Sphere excursion and feel as though you've stepped inside the film and are traveling down the Yellow Brick Road™ with Dorothy and her friends

## Itinerary

### Day 1 – Welcome to Las Vegas! (Sunday, April 12)

This morning we'll travel from our departure points aboard a deluxe motorcoach to Las Vegas, making a stop for lunch on your own enroute. This afternoon we'll begin a two-night stay in upgraded Bordeaux rooms with a view of the Eiffel Tower and/or Las Vegas Strip at *Paris Las Vegas Hotel and Casino*, the elegant and exciting resort located in the heart of the Las Vegas Strip. The French-themed resort features Parisian-style hotel rooms, a 95,000 square foot casino designed like a Parisian street scene, a two-acre rooftop pool area set in a manicured Parisian garden, a shopping district that feels like a quaint Parisian village, and extraordinary dining options inspired by French cuisine.

### Day 2 – Las Vegas at Leisure, Optional *The Wizard of Oz* at Sphere (Monday, April 13)

Enjoy the entire day at leisure to explore Las Vegas as you choose. Our resort is adjacent to *Planet Hollywood* and *Horseshoe* and across the street from *The Cosmopolitan*, *Bellagio* and *Caesars Palace*. Late this afternoon take advantage of an optional ***The Wizard of Oz* at Sphere Excursion** for an additional \$179 per person (including transportation, 300 level seating, taxes and fees; minimum of 10 guests required; payable with your tour payment). This immersive re-imaging of the 1939 classic that features a remastered film score, was designed to leverage Sphere's massive 160,000-square-foot, wrap-around, 16K resolution screen and advanced haptic technology. During this high-tech "cinematic experience" that uses immersive sound, spatial audio, vibrating seats and 4D atmospheric effects, you'll smell the poppies, and feel the chill of the dark forest and the high velocity wind of the tornado.

### Day 3 – Journey Home (Tuesday, April 14)

After a late morning departure from the resort and a stop for lunch on your own enroute, we'll arrive back at our drop-off points this evening with many fond memories of our Las Vegas escape.
