### Day 3 – Redwood National Park (Sunday, August 30)

This morning, we'll travel through Grants Pass, following the scenic Rogue River and the historic Redwood Highway toward the rugged California coast. By afternoon, we'll arrive at **Redwood National Park**, home to the world's tallest trees! You'll be awestruck as we enter this ancient forest, where silent sentinels have stood for over 2,000 years, reaching heights of more than 300 feet! At **Jedediah Smith Redwood State Park**, we'll enjoy an included picnic lunch and a gentle stroll along a flat, shaded trail, offering a majestic perspective from directly beneath these prehistoric titans. Continuing to the quaint town of **Crescent City**, we'll learn about the town's resilient history following the devastating 1964 tsunami. We'll see **Battery Point Lighthouse**, a stunning landmark perched on a rocky offshore isthmus; it remains the oldest continuously staffed lighthouse on the West Coast. (Breakfast, Lunch, Dinner)

### Day 4 – Mail Route Jet Boat Tour (Monday, August 31)

Anticipation mounts as we travel north to **Gold Beach** for a thrilling **Mail Route Jet Boat Tour** through one of Oregon's greatest natural treasures: the scenic Rogue River. As a congressionally designated National Wild and Scenic River, the Rogue tumbles and roars from the high Cascades down to the Pacific shores, carving a wilderness home for an abundance of native wildlife. Your expert river guide will help spot black bears, river otters, black-tailed deer bald eagles and great blue herons. Our journey follows the "Historic Mail Boat Route," tracing the same path Rogue River pioneers have utilized since 1895, when mail and freight were prized commodities in a wilderness without road access. We'll disembark in the remote community of Agness to enjoy an included barbecue lunch before returning to Gold Beach by boat. Enjoy an included dinner in Brookings. (Breakfast, Lunch, Dinner)

### Day 5 – Oregon Coast (Tuesday, September 1)

This morning, we'll continue north along the breathtaking Oregon Coast to the **Oregon Dunes National Recreation Area**, the largest expanse of coastal sand dunes in North America. We'll board a specialized, four-wheel-drive giant dune buggy for an exhilarating expedition across these massive, shifting peaks – some towering nearly 300 feet high – guided by an expert driver who knows every curve of this sandy wilderness. Then, enjoy time at leisure for lunch and exploration in **Historic Old Town Florence**, a charming riverside district filled with galleries, local boutiques, and inviting cafés along the Siuslaw River. This afternoon we'll enjoy a scenic one-mile roundtrip stroll along a flat trail to **Heceta Head Lighthouse**. Perched dramatically on the cliffs since 1894, this historic landmark remains the most powerful light on the Oregon Coast. Later, we'll arrive in **Newport** for a two-night stay at a stunning bluff-top hotel overlooking the Pacific. Every guest room features an ocean view, a private balcony, and a cozy fireplace. (Breakfast)

### Day 6 – Oregon Coast (Wednesday, September 2)

This morning, we'll board the *Discovery*, a deluxe 65-foot vessel, for an immersive **Yaquina Bay Sea Life Cruise**. Accompanied by an expert naturalist, we'll navigate past the largest fishing fleet on the Oregon Coast while scouting for marine mammals and coastal birds in their natural habitats. Following the cruise, enjoy time at leisure for browsing and lunch on own in Newport's historic bay-front before we head to the world-class **Oregon Coast Aquarium**. This premier marine center offers a fascinating look into Pacific habitats. You'll come face-to-face with frolicking sea otters, colorful puffins, and even a 60-pound octopus, all before walking through a 200-foot underwater tunnel for a 360-degree view of sharks, wolf eels, and halibut.
